

June 12th 5:30pm

A Servant's Heart needs your help for our event!

Servant's Heart, a part of Project ID, will be serving ice-cream and toppings to 80-100 children and their mothers at the Union Gospel Mission Shelter for Women & Children! (Address will be provided upon request) 😊

We want to provide these young children with some smiles and laughs during a difficult time in their developing years. We will have face painting, balloons, and sidewalk chalk for the kids. This is a great time for agency and AFH to encourage their residences to give back to our community as we walk our Christian faith that Project ID has been built on.

Please call/text Theresa at 808-6151 to confirm who (members/volunteers) can help and get address or with questions about this event.

Please remember, if your resident requires support,
a staff representative is required during our events for safety.

Servant's Heart is open to all community members who would like to volunteer, and members of the Den, Wolfpack, Friendship Church, and friends. Find us on Facebook at Project ID Servant's Heart and request to be added to the group page to receive updates on all events through Servant's Heart.
