#### ATTENTION:-Volunteer-Hours

Volunteer hours (each member is asked to donate 2 hours of volunteering per month) are available each week. Contact Dixie at Project id (850-1489) to schedule hours outside of regular Den hours or sign up at The Den during check in for a specific task to be completed that evening. We will find jobs suitable to each member's skills and abilities.

Project id is a totally volunteer run organization. Our members are an important part of maintaining the facility adequately. Volunteering 2 hours to The Wolf Den is a great lesson in giving back to the community that supports them.

- *All activities and areas are open and available for members use every night we are open. While activities may be suggested (as below or by the evening's volunteers), the purpose of The Den is to allow members to make their own choices and plans with their peers.*
