

Who is Project id?

Project id is a nonprofit organization established to provide recreation, socialization, work, personal development, and transitional opportunities to adults with intellectual and developmental disabilities in Spokane County. Based on a unique combination of faith, business, mental health, and sports principles, our goal is to build a vibrant and thriving community of people with intellectual and developmental disabilities. We aim to provide education, life enhancing experiences, and treatment support for people with intellectual and developmental disabilities in a safe and nurturing environment.

Our Mission is to enhancing the possibilities and potential for each individual living with intellectual and developmental disabilities to become and achieve all that God created them to be!

Prom 2018

Under The Sea

On May 18th Project id held its annual Prom for our members and the community. The theme this year was Under the Sea. We were blessed by the great turn out including having Ariel showing up. Thank you to Life Center for allowing us to use their facility and all their wonderful volunteers, and Sun City Church volunteers. Thank you, Lisa Moles and Candy Carlson for Chair the event and all the Amazing Volunteers from Project id. Without all of you we could not have the wonderful programs we do.

Eagle Scout Project

Forrest Webb and Troop 473 just completed a wonderful Eagle Project. Forrest and his troop built us some wonderful raised planter boxes that our members in wheel chairs can help us with their gardening skills. Nice Job Forrest and Troop 473 for your wonderful help and support. Project id is blessed and honored by this project!!!!

Dear Friends,

From the pictures and stories you are seeing about Project id, we are making a huge difference in our members lives. To create a safe place that our members can attend and create relationship, have fun and socialize is a big deal.

This is a gap in our community that people with intellectual disabilities have. After they age out of the school system the social, recreation and community vanishes. That is where Project id steps in with our Wolf Pack (Special Olympics), Wolf Den (recreation center) and Friendship Church. We need your help!

You can help enhancing the possibilities and potential for each individual living with intellectual and developmental disabilities to become and achieve all that God created them to be! **Your support is a key in solving this gap in the community.**

Would you consider a donating \$25 a month to help us achieve our mission?

We thank you in advance for your support! Your donation is greatly appreciated and will be used to accomplish our mission and reach more and more individuals. You can either donate online at <https://projectidspokane.org/donate/>, call us at 509-879-3372.

With warm regards,

Bob Hutchinson
Executive Director

Girls Night is a wonderful time for our ladies to get together shop, eat, play games and just have fun. This past month they had a sandwich bar, Italian sodas and a chocolate fountain. They also had a opportunity to receive new cloths donated by HRC Ministries. A special thank you to HRC Ministries for their wonderful support, they have been a huge supporter of our food program.

We had over 25 ladies participating and have a great time.

Our next **Girls Night** is Tuesday July 24th 6-8 PM. Please come join us.
