

Project id Staying Engaged with our Members.

Project id has been stay very much engaged with members through Social Media.

We have been doing live feeds with our ZUMBA class. Dianne has been our instructor and every Wednesday night at 7:00 PM she has been leading our members at home. Our last class we had 110 people participating on the live feed and later on another 890 people saw the class.

Pastor Rick along with Maddie and Tom have been leading Friendship Church Service on Sundays at 11:00 am. It has been a great way for our members to participate and sing their favorite worship songs and hear a positive message from Pastor Rick. 500 people have been participating online with us.

Project id has also been creating online adventures. We did a Safari to the National Zoo, visited a Shark tank, and a wonderful Pacific Coast Aquarium.

Cost Plus World Market donated two pick-up loads of Easter goodies. We delivered over 100 Easter Care packages to our members.

Thank you to our Easter Bunnies Lisa, Rick, Marlayna & Bob for deliveing Easter Care Packages to our members! Over 100 homes received goodies.

Coroavirus (COVID-19) Impact on Project id

The Coroavirus has had a big impact on Project id. We had to cancel our Paint Party and Birdy's for Autism Golf Tournament is looking like it will not happen either. It is going to be hard to reschedule these event too.

Right now Project id is doing everything it can to engage our members and help them not feel isolated.

We have been so blessed by all of you and we are hoping you will continue to support our mission. Please consider supporting a member. All it takes is \$30 a month.
